ADMINISTRATOR, LAKSHADWEEP (FAX NO 04896-26284)
CHIEF SECRETARY, ANDAMAN & NICOBAR ISLANDS (FAX NO. 03192- 232656)
CHIEF SECRETARY, ANDHRA PRADESH (FAX NO. 0863-2441029, 08645-246600)
CHIEF SECRETARY, TAMIL NADU (FAX NO 044-25672304)
CHIEF SECRETARY, PUDUCHERRY (FAX NO 0413-2334145)

Sub: (a) Depression over Eastcentral Arabian Sea

(b) Likely formation of a Low Pressure Area over southeast Bay of Bengal, its intensification & movement towards north Tamil Nadu coast during 09th-11th November 2021.

(a) Depression over Eastcentral Arabian Sea

The Depression over eastcentral Arabian Sea moved west-northwestwards with a speed of 05 kmph during past 6 hours and lay centred at 0530 hrs IST of today, the 8th November, 2021, over Eastcentral Arabian Sea near latitude 14.6°N and longitude 66.5°E, about 840 km southwest of Mumbai (Maharashtra) & 790 km west-southwest of Panjim (Goa). It is likely to move west-northwestwards and maintain the intensity of a Depression during next 24 hours and weaken gradually thereafter.

As the system is very likely to move west-northwestwards **away from the Indian coast no adverse impact is likely over the Indian landmass.**

Forecast track and intensity are given in the following table:

Date/Time (IST)	Position (Lat. °N/ long. °E)	Maximum sustained surface wind speed (Kmph)	Category of Cyclonic Disturbance
08.11.21/0530	14.6/66.5	45-55 gusting to 65	Depression
08.11.21/1730	14.8/66.1	40-50 gusting to 60	Depression
09.11.21/0530	15.0/65.7	30-40 gusting to 50	Well Marked low Pressure Area

Warnings:

(i) Rainfall

- No heavy rainfall warning in association with the system.

(ii) Wind warning

- Squally wind speed reaching 45-55 kmph gusting to 65 kmph likely to prevail over eastcentral Arabian Sea during next 12 hours till 08th November evening and decrease marginally thereafter becoming 40–50 kmph gusting to 60 kmph over eastcentral & adjoining westcentral Arabian Sea for subsequent 12 hours. It would further decrease thereafter becoming 30-40 kmph gusting to 50 kmph from 09th November morning.

(iii) Sea condition

- Sea condition will be rough to very rough over eastcentral & adjoining westcentral Arabian Sea till the early morning of 9th November 2021.

(iv) Fishermen Warning

- Fishermen are advised not to venture into eastcentral & adjoining westcentral Arabian Sea till the early morning of 9th November 2021. (graphics enclosed).

(b) Likely formation of a Low Pressure area over southeast Bay of Bengal

The cyclonic circulation over Southeast Bay of Bengal and adjoining equatorial Indian Ocean lay over southeast Bay of Bengal and adjoining south Andaman Sea, extending up to 5.8 Km above mean sea level at 0530hrs IST of today, the 08th November. Under its influence, a low pressure area is very likely to form over southeast Bay of Bengal and neighbourhood during next 24 hours. It is likely to become more marked over the same region during the subsequent 24 hrs and move west –northwestwards and reach near north Tamilnadu on 11th November, 2021.

In association with this formation, there would be a continuation of the ongoing active rain spell over Tamil Nadu during 8th – 12th November.

Warnings:

(i) Rainfall (warning graphics enclosed)

8th Nov.: Light to moderate rainfall at most places with **heavy to very heavy rainfall falls** at isolated places very likely over Tamil Nadu and south coastal Andhra Pradesh.

9th Nov.: Light to moderate rainfall at most places with **heavy to very heavy rainfall** at isolated places very likely over Tamil Nadu.

10th Nov.: Light to moderate rainfall at most places with **heavy to very heavy rainfall** at a few places very likely over coastal Tamil Nadu and **heavy to very heavy falls** at isolated places over south coastal Andhra Pradesh.

11th Nov.: Light to moderate rainfall at most places **with heavy to very heavy rainfall** at a few places & **extremely heavy falls** at isolated places very likely over coastal Tamil Nadu and **heavy to very heavy falls & extremely heavy falls** at isolated places over south coastal Andhra Pradesh.

12th Nov. Light to moderate rainfall at most places with **heavy rainfall** at isolated places very likely over Tamil Nadu and coastal Andhra Pradesh.

(ii) Wind warning

- Squally wind speed reaching 40-50 kmph gusting to 60 kmph likely to prevail over southeast Bay of Bengal on 9th & 10th November, over southwest Bay of Bengal during 10th – 11th November and along & off Tamil Nadu & adjoining south Andhra Pradesh coasts on 11th November.

(iii) **Sea condition**

- Sea condition will be rough to very rough over southeast Bay of Bengal on 9th & 10th November, over southwest Bay of Bengal during 10th – 11th November and along & off Tamil Nadu & adjoining south Andhra Pradesh coasts on 11th November.

(iv) **Fishermen Warning (in association with the likely formation of the system)**

- Fishermen are advised not to venture into southeast Bay of Bengal on 9th & 10th November, over southwest Bay of Bengal during 10th – 11th November and along & off Tamil Nadu & adjoining south Andhra Pradesh coasts on 11th November. (Graphics enclosed).
- Fishermen out in the sea are advised to return coast by 9th November.

(v) **EXPECTED IMPACT & ACTION SUGGESTED**

Localized Flooding of roads, inundation and water logging in low lying areas and closure of underpasses mainly in urban areas of the above region.

- Occasional reduction in visibility due to heavy rainfall.
- Disruption of traffic in major cities due to water logging in roads leading to increased travel time.
- Minor damage to kutchra roads.
- Possibilities of damage to vulnerable structure.
- Localized Landslides/Mudslides
- Damage to horticulture and standing crops in some areas due to inundation.
- It may lead to riverine flooding in some river catchments (for riverine flooding please visit Web page of CWC)
- Recreational & Tourism activities along the coastal belt may be restricted.

IMD is continuously monitoring the situation and updates would be sent regularly based on its development and further movement.

The next bulletin will be issued at 1130 hrs IST of 08th November, 2021.
