|                    |                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Synoptic Situation | Southwest monsoon Strong over Westcentral Arabian sea and Moderate over North , Eastcentral and Southwest Arabian sea and weak over Southeast Arabian sea. |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|

**North West Arabian Sea**

|               |                                                         |
|---------------|---------------------------------------------------------|
| Wind          | Southerly to Southwesterly 15 to 20 Gusting to 25 Knots |
| Weather       | Isolated Rain/Thundershowers.                           |
| Visibility    | Good except in Rain/Thundershowers.                     |
| Sea Condition | Moderate to Rough                                       |

**North East Arabian Sea**

|               |                                                        |
|---------------|--------------------------------------------------------|
| Wind          | Southwesterly to Westerly 15 to 20 Gusting to 25 Knots |
| Weather       | Isolated Rain/Thundershowers.                          |
| Visibility    | Good except in Rain/Thundershowers.                    |
| Sea Condition | Moderate to Rough                                      |

**West Central Arabian Sea**

|               |                                                         |
|---------------|---------------------------------------------------------|
| Wind          | Southerly to Southwesterly 20 to 25 Gusting to 30 Knots |
| Weather       | Isolated Rain/Thundershowers.                           |
| Visibility    | Good except in Rain/Thundershowers.                     |
| Sea Condition | Rough to Very Rough                                     |

**East Central Arabian Sea**

|      |                                                        |
|------|--------------------------------------------------------|
| Wind | Southwesterly to Westerly 15 to 20 Gusting to 25 Knots |
|------|--------------------------------------------------------|

|               |                                               |
|---------------|-----------------------------------------------|
| Weather       | Scattered Rain/Thundershowers.                |
| Visibility    | Good becoming poor in Rain or Thundershowers. |
| Sea Condition | Moderate to Rough                             |

#### South West Arabian Sea

|               |                                                         |
|---------------|---------------------------------------------------------|
| Wind          | Southerly to Southwesterly 20 to 25 Gusting to 30 Knots |
| Weather       | Isolated Rain/Thundershowers.                           |
| Visibility    | Good except in Rain/Thundershowers.                     |
| Sea Condition | Rough to Very Rough                                     |

#### South East Arabian Sea

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Wind          | Westerly to Northwesterly 10 to 15 Gusting to 20 Knots                |
| Weather       | Scattered Rain/Thundershowers with isolated squall.                   |
| Visibility    | Good becoming poor in Rain or Thundershowers and very poor in squall. |
| Sea Condition | Moderate to Rough                                                     |

#### Lakshadweep Area

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Wind          | Mainly Northwesterly 10 to 15 Gusting to 20 Knots                     |
| Weather       | Scattered Rain/Thundershowers with isolated squall.                   |
| Visibility    | Good becoming poor in Rain or Thundershowers and very poor in squall. |
| Sea Condition | Moderate to Rough                                                     |

#### Maldives Area

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Wind          | Northwesterly to Westerly 10 to 15 Gusting to 20 Knots                |
| Weather       | Scattered Rain/Thundershowers with isolated squall.                   |
| Visibility    | Good becoming poor in Rain or Thundershowers and very poor in squall. |
| Sea Condition | Moderate to Rough                                                     |
