|                    |                                                                                                                                                                                                                                                                                                                                              |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Synoptic Situation | The Shear Zone roughly along Lat. 22°N across central & adjoining north Peninsular India persists and now seen between 5.8 & 7.6 km above mean sea levels. Southwest monsoon strong over Southwest Arabian sea, moderate to Strong over Northwest & Westcentral Arabian sea, moderate over Northeast, Eastcentral and Southeast Arabian sea. |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

#### **North West Arabian Sea**

|               |                                                          |
|---------------|----------------------------------------------------------|
| Wind          | Mainly Southwesterly 20 to 25 knots gusting to 30 knots. |
| Weather       | Scattered Rain/Thundershowers.                           |
| Visibility    | Good becoming poor in Rain or Thundershowers.            |
| Sea Condition | Rough.                                                   |

#### **North East Arabian Sea**

|               |                                                                           |
|---------------|---------------------------------------------------------------------------|
| Wind          | Southwesterly to Westerly 15 to 20 knots gusting to 25 knots.             |
| Weather       | Fairly Widespread Rain/Thundershowers with isolated squall.               |
| Visibility    | Moderate becoming poor in Rain or Thundershowers and very poor in squall. |
| Sea Condition | Moderate to Rough.                                                        |

#### **West Central Arabian Sea**

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Wind          | Southerly to Southwesterly 20 to 25 knots gusting to 30 knots.        |
| Weather       | Scattered Rain/Thundershowers with isolated squall.                   |
| Visibility    | Good becoming poor in Rain or Thundershowers and very poor in squall. |
| Sea Condition | Rough to Very Rough.                                                  |

#### **East Central Arabian Sea**

|               |                                                                           |
|---------------|---------------------------------------------------------------------------|
| Wind          | Southwesterly to Westerly 15 to 20 knots gusting to 25 knots.             |
| Weather       | Fairly Widespread Rain/Thundershowers with isolated squall.               |
| Visibility    | Moderate becoming poor in Rain or Thundershowers and very poor in squall. |
| Sea Condition | Moderate to Rough.                                                        |

#### South West Arabian Sea

|               |                                                                                                                                                                            |
|---------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Wind          | East of 60 deg East Long: Southwesterly to Westerly 15 to 20 knots gusting to 25 knots; West of 60 deg East Long: Mainly Southwesterly 25 to 30 knots gusting to 35 knots. |
| Weather       | Scattered Rain/Thundershowers.                                                                                                                                             |
| Visibility    | Good becoming poor in Rain or Thundershowers.                                                                                                                              |
| Sea Condition | Rough to Very Rough.                                                                                                                                                       |

#### South East Arabian Sea

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Wind          | Westerly to Northwesterly 15 to 20 knots gusting to 25 knots.         |
| Weather       | Scattered Rain/Thundershowers with isolated squall.                   |
| Visibility    | Good becoming poor in Rain or Thundershowers and very poor in squall. |
| Sea Condition | Moderate to Rough.                                                    |

#### Lakshadweep Area

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Wind          | Westerly to Northwesterly 15 to 20 knots gusting to 25 knots.         |
| Weather       | Scattered Rain/Thundershowers with isolated squall.                   |
| Visibility    | Good becoming poor in Rain or Thundershowers and very poor in squall. |
| Sea Condition | Moderate to Rough.                                                    |

#### Maldives Area

|               |                                                     |
|---------------|-----------------------------------------------------|
| Wind          | Mainly Westerly 15 to 20 knots gusting to 25 knots. |
| Weather       | Scattered Rain/Thundershowers.                      |
| Visibility    | Good becoming poor in Rain or Thundershowers.       |
| Sea Condition | Moderate to Rough.                                  |
