### **South West Bay**

|               |                                              |
|---------------|----------------------------------------------|
| Wind          | Mainly Southwesterly, 15 - 20 kts            |
| Weather       | Scattered rain or thundershowers             |
| Visibility    | Good becoming Moderate in rain/thundershower |
| Sea Condition | Slight to Moderate                           |

### **South East Bay**

|               |                                              |
|---------------|----------------------------------------------|
| Wind          | Southwest to Westerly, 10 - 15 kts           |
| Weather       | Scattered rain or thundershowers             |
| Visibility    | Good becoming Moderate in rain/thundershower |
| Sea Condition | Smooth to Slight                             |

### **West Central Bay**

|               |                                              |
|---------------|----------------------------------------------|
| Wind          | South to Southwesterly, 15 - 20 kts          |
| Weather       | Isolated rain or thundershowers              |
| Visibility    | Good becoming Moderate in rain/thundershower |
| Sea Condition | Slight to Moderate                           |

### East Central Bay

|               |                                              |
|---------------|----------------------------------------------|
| Wind          | South to Southwesterly, 10 - 15 kts          |
| Weather       | Isolated rain or thundershowers              |
| Visibility    | Good becoming Moderate in rain/thundershower |
| Sea Condition | Smooth to Slight                             |

### North West Bay

|               |                                              |
|---------------|----------------------------------------------|
| Wind          | Mainly Southwesterly, 15 - 20 kts            |
| Weather       | Scattered rain or thundershowers             |
| Visibility    | Good becoming Moderate in rain/thundershower |
| Sea Condition | Slight to Moderate                           |

### North East Bay

|               |                                              |
|---------------|----------------------------------------------|
| Wind          | Mainly Southerly, 10 - 15 kts                |
| Weather       | Scattered rain or thundershowers             |
| Visibility    | Good becoming Moderate in rain/thundershower |
| Sea Condition | Smooth to Slight                             |

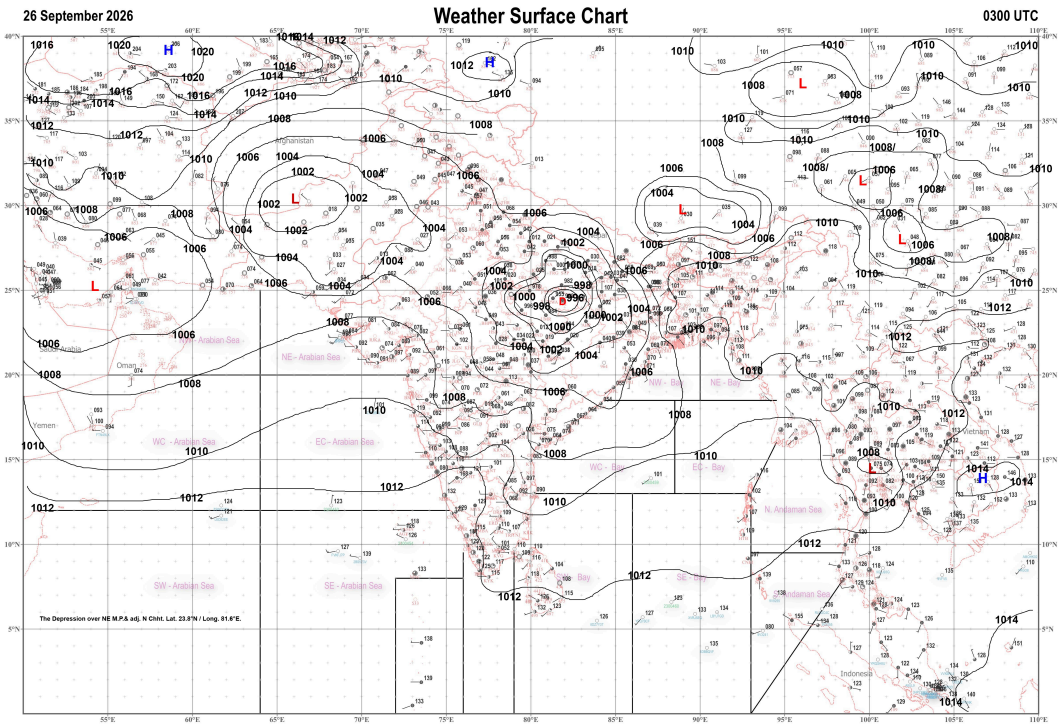

### South Andaman Sea

|               |                                               |
|---------------|-----------------------------------------------|
| Wind          | Southwest to Westerly, 10 - 15 kts            |
| Weather       | Fairly widespread rain or thundershowers      |
| Visibility    | Moderate becoming Poor in rain/thunder shower |
| Sea Condition | Smooth to Slight                              |

### North Andaman Sea

|               |                                               |
|---------------|-----------------------------------------------|
| Wind          | Mainly Westerly, 10 - 15 kts gusting 25 kts   |
| Weather       | Fairly widespread rain or thundershowers      |
| Visibility    | Moderate becoming Poor in rain/thunder shower |
| Sea Condition | Smooth to Slight occasionally Rough           |
