### Sea Area Bulletin

**Bulletin Valid for 12 hrs from 21 UTC of 2026-07-13 to 09 UTC of 2026-07-14**

|             |                                                      |
|-------------|------------------------------------------------------|
| TTT Warning | No storm warning over Bay of Bengal and Andaman Sea. |
|-------------|------------------------------------------------------|

|                    |                                                                                                                                                                                                                                                                                                                                                                                   |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Synoptic Situation | The upper air cyclonic circulation over South Bangladesh & neighbourhood at 5.8 km above mean sea level persists. The trough in westerlies roughly along Long. 89°E to the north of Lat. 21°N upto 1.5 km above mean sea level persists. Southwest Monsoon Moderate to Strong over Southeast Bay of Bengal & Andaman Sea; Moderate over North, Central & Southwest Bay of Bengal. |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

#### **South West Bay**

|               |                                                    |
|---------------|----------------------------------------------------|
| Wind          | South to Southwesterly, 15 - 20 kts gusting 25 kts |
| Weather       | Isolated rain or thundershowers                    |
| Visibility    | Good becoming Moderate in rain/thundershower       |
| Sea Condition | Slight to Moderate Occasionally Rough              |

#### **South East Bay**

|               |                                              |
|---------------|----------------------------------------------|
| Wind          | Mainly Southwesterly, 20 - 25 kts            |
| Weather       | Scattered rain or thundershowers             |
| Visibility    | Good becoming Moderate in rain/thundershower |
| Sea Condition | Moderate to rough                            |

#### **West Central Bay**

|               |                                                  |
|---------------|--------------------------------------------------|
| Wind          | Mainly Southwesterly, 15 - 20 kts gusting 25 kts |
| Weather       | Scattered rain or thundershowers                 |
| Visibility    | Good becoming Moderate in rain/thundershower     |
| Sea Condition | Slight to Moderate Occasionally Rough            |

#### **East Central Bay**

|               |                                                            |
|---------------|------------------------------------------------------------|
| Wind          | Mainly Southwesterly, 15 - 20 kts gusting 25 kts           |
| Weather       | Widespread rain or thundershowers with isolated heavy rain |
| Visibility    | Moderate becoming Poor in heavy rain/thundershower         |
| Sea Condition | Slight to Moderate Ocassionally Rough                      |

#### North West Bay

|               |                                               |
|---------------|-----------------------------------------------|
| Wind          | South to Southwesterly, 15 - 20 kts           |
| Weather       | Widespread rain or thundershowers             |
| Visibility    | Moderate becoming Poor in rain/thunder shower |
| Sea Condition | Slight to Moderate                            |

#### North East Bay

|               |                                                            |
|---------------|------------------------------------------------------------|
| Wind          | South to Southwesterly, 15 - 20 kts                        |
| Weather       | Widespread rain or thundershowers with isolated heavy rain |
| Visibility    | Moderate becoming Poor in heavy rain/thundershower         |
| Sea Condition | Slight to Moderate                                         |

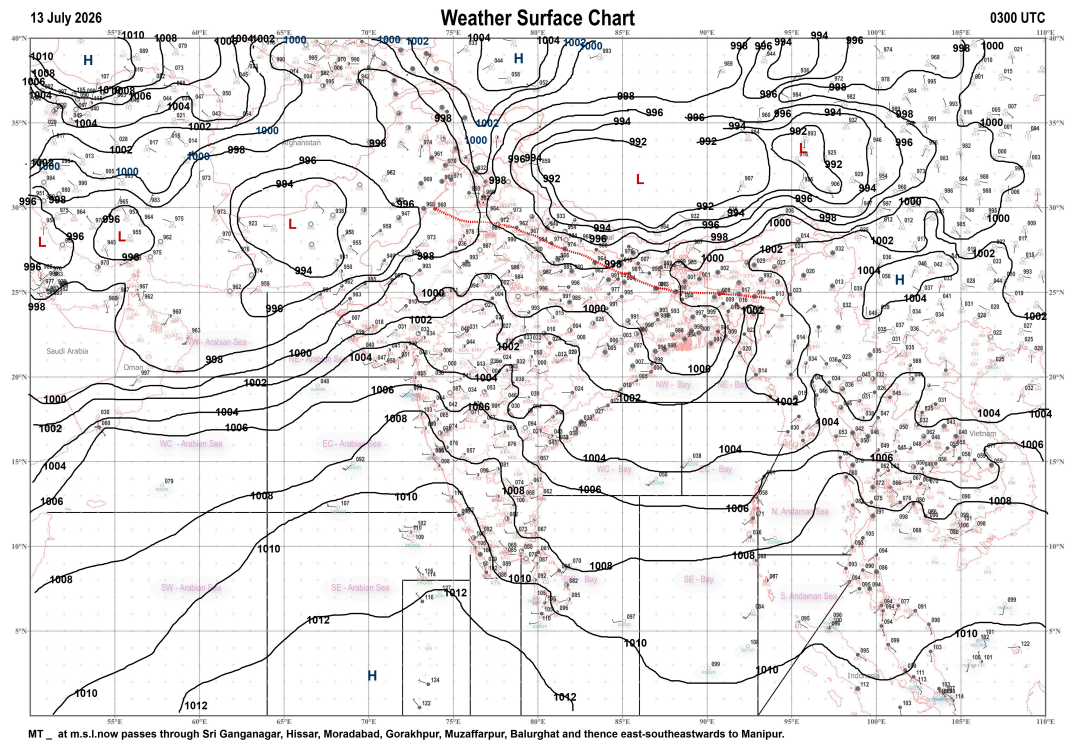

#### South Andaman Sea

|               |                                                  |
|---------------|--------------------------------------------------|
| Wind          | Mainly Southwesterly, 20 - 25 kts gusting 30 kts |
| Weather       | Widespread rain or thundershowers                |
| Visibility    | Moderate becoming Poor in rain/thunder shower    |
| Sea Condition | Moderate to rough Ocassionally very Rough        |

#### North Andaman Sea

|               |                                                            |
|---------------|------------------------------------------------------------|
| Wind          | Southwest to Westerly, 20 - 25 kts gusting 30 kts          |
| Weather       | Widespread rain or thundershowers with isolated heavy rain |
| Visibility    | Moderate becoming Poor in heavy rain/thundershower         |
| Sea Condition | Moderate to rough Ocassionally very Rough                  |
