Mausam Bhavan, Lodi Road, New Delhi - 110003**

Regional Specialised Meteorological Centre (RSMC), New Delhi, has prepared average Velocity Flux, Accumulated Cyclone Energy (ACE) and Power Dissipation Index (PDI) of cyclonic disturbances (Depression and above) and tropical cyclones (cyclonic storm and above) for different seasons and year as a whole over the Bay of Bengal(BOB), Arabian Sea(AS) and North Indian Ocean (NIO) from 1990 to the present.

These are presented in Table1 to Table 4 for cyclonic disturbances (Depression and above) and Table 5 to Table 8 for tropical cyclones (cyclonic storm and above). For details about the data and for referring this data for further research the following publication may kindly be referred.
